

The Clan Mackintosh North America Scholarship Program

Clan Mackintosh North America is proud to offer a scholarship program to **graduating high school seniors** in the United States and Canada. The program offers one or more cash awards of **\$1000** to students whose parents or guardians have been members in good standing of CMNA *for at least two full years* (however, life memberships become eligible immediately).

Students applying for the award must take a written exam consisting of multiple choice, true/false and fill-in-the-blank questions based on an official Study Guide that will be sent to students upon request (see below). Students must score at least an 85% on the exam to be eligible for the award. The exam consists of questions about Scottish history and Clan Mackintosh facts and includes a short expository (written) section on *“Why I am proud of my Scottish heritage.”*

Although not required, participation in Scottish activities such as Scottish Highland or Country dancing, bagpipe playing, Scottish fiddle playing, Highland athletics, etc., and participation in Clan Mackintosh activities at Scottish festivals, would add extra weight for one candidate over another. Attaining a superior grade point average in school would also be a consideration.

The award is a general purpose one that can be used to defray tuition costs, books, or personal expenses. The program does not have a family financial condition requirement of any kind.

Factoring (supervising) of the exam is arranged locally and individually for each applicant at the student's high school. Factored exams and applications must be returned to the Scholarship Committee for grading by **March 15th** of each year. Awards are made in **April**.

Application and Study Guide requests may be made at any time. There is a \$10.00 Application and Study Guide fee that is used to defray printing, packaging and postage costs.

Requests for a “Clan Mackintosh North America Scholarship Application and Study Guide” should be sent along with a check for \$10.00 made out to “CMNA” to:

It is with great pride that CMNA offers this program and hopes that members' children will take advantage of it to help pay for their higher education.
